# A Passion for Restoration

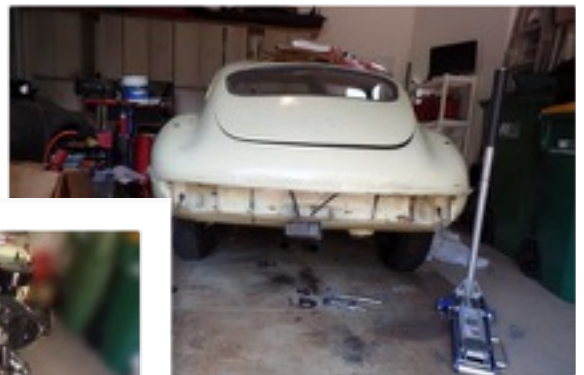

By Robert Bruce (JCSWF President)...

We have a lot of untold stories with members in this young club, but one story is of particular interest to me. I met Tony via email when I was in the very early stages of getting this club put together. Thirty days into laying the foundations of the club I discovered that the Jaguar Club of North America (JCNA) had a minimum membership requirement for a new club to be affiliated. So, while I was busy at work developing the club building an initial startup in membership was now also a requirement.

The JCNA AGM meeting was just a month away and to add to my list of key foundational things to do to put a robust and real Jaguar Club in Southwest Florida on the street building an initial membership was a priority. With the help of an officer of JCNA who provided a list of members at large that were JCNA members, but not a member of a local club I went on the task of sending emails without much to show them, but my vision of what this club was going to be like and please join.

Only Tony Watt responded to my emails and no response from the other 14. I contacted Tony again with my early club “pitch” and Tony responded, “...count me in!”. Tony became member six and thank goodness had the leap of faith to join this new club that at the time did not have a completed website, having only a freshly minted logo. I call Tony the club’s first true member and a Charter Member no less.

As I worked feverishly to meet target dates and requirements, Tony and I conversed back and forth via email and the restoration story for me began. With the club website near completion, I asked Tony if I could put a picture of his E-Type in the “Gallery” on the club website. I never will forget what Tony said explaining the picture, “P.S. The bonnet is in the dining room... no room in the garage”. (Doesn’t everybody store their bonnet in the dining room?). From my Indiana Hoosier background, I thought, what a *hoot!* Exactly!

# Member Spotlights...

In this section we will spotlight some of our members and the cars they so enjoy. These photographs were taken at our recent "Java and Jags" breakfast at Mimi's Restaurant.

Club Member ....David Kelley.... 1999 XK8  
David fell in love with XKE's in high school and really liked the XK8's when they came out. He likes local trips and drive his XK8 to work at times.

Club Member....Martin Paloff.... 2010 XKR Convertible  
Marty's first Jaguar was a 1961 XKE. He loves all Jaguars, especially his current supercharged beast.

Club Member....Steve Cleveland.... 1973 XKE OTS  
Steve's first Jaguar was a 1967 XKE 2+2. Steve loved the looks of Jags, especially the E-TYPE when first introduced was way ahead of it's time. Steve has many cars including 3 MGA's, 3 Sunbeam Tigers, a TR6 and 2 Porsches...Wow!!
